

Prevent Invasive Species

Releasing pets may have serious, yet unintended, consequences that threaten Oregon's economy and environment including impacts to agriculture, recreation, infrastructure, human health, and natural ecosystems.

Find Alternatives To Releasing Pets!

**Don't
let it
loose**

**Take Action
REPORT INVASIVES**

**Preserve Our
Ecosystems**

**Find Alternatives
RE-HOME!**

This artwork has been adapted; the original illustration was created by Alex Cronk at Sabin Schellenberg for the 2015 Don't Let it Loose Media Contest lead by Oregon Sea Grant in partnership with the Oregon Invasive Species Council
